

The Inaugural Purdue Graduate Student Conference on Communication Research will be hosted by the Hall for Discovery and Learning Research, one of the newest buildings in Discovery Park.

There is some parking available in the area, however please note that the parking directly in front of the Hall for Discovery and Learning Research is the parking lot of the Purdue Police Department and is an A permit lot 24 hours a day, seven days a week. As you can imagine, this lot is quite well patrolled. Permits are only required during the week at other lots nearby. Please refer to the map below
